ORDER

Magistrate Deere has informed me that all the parties want to participate in a prompt settlement conference. Good. The Court converts the referral and requests that she conduct that conference, as soon as practicable, rather than making a recommended disposition.

If the case does not settle, the Court directs the parties to file simultaneous five-page briefs on 31 January 2025. Given the age of this case, it will be set first-out for a jury trial on 14 July 2025. Please propose interrogatories for the jury. Please also list expected evidentiary issues and cite helpful authorities on them.

So Ordered.
